Join the Office of the Attorney General and Councilmembers Vincent C. Gray and Trayon White on:

As the Office of the Attorney General (OAG) prepares to launch its new Civil Rights Section, we are inviting community members to share their experiences and provide input for how we develop priorities and initiatives. OAG's Civil Rights Listening Sessions are interactive dialogues designed to connect attorneys and community. During these sessions, attorneys will be listening to community members to better understand issues and learn from them how OAG can build a community-informed Civil Rights Section.
