

# Lily Ponds Live Concert

---

**When:** June 15, 3pm - 5pm

**Where:** Kenilworth Aquatic Gardens (1550 Anacostia Ave NE, DC 20019)

**What:** Join us for the first Lily Ponds Live Concert of 2019 featuring the Kenny Rittenhouse Jazz Quartet. There will be food and refreshments. The event is free and open to kids. Bring your friends and family! We are still exploring food options (food trucks, grilling, etc).

**Get Involved:** The goal of this event is to activate the park with all of APACC. This is an opportunity to engage with your target audience and a broader constituency interested in all things Anacostia. Table at the event, plan an activity for guests or do both! We want to get as many APACC groups involved as possible. We are still formulating the event and we would love your input on how best to involve your group. Please reach out to David Drawbaugh at [David@fokag.org](mailto:David@fokag.org) if you want to get your group involved or if you have any ideas related to planning and outreach. We're happy to collaborate on pre-event strategies and materials.
