FREE ART COURSE

Botanical Sketching Sunday, August 4th, 2019 2:30 to 4:30 p.m.

Sketch where the water and wind dance; the Kenilworth Aquatic Gardens. During this session participants will learn the basics of drawing botanical subjects. Immerse in the park atmosphere and create your drawing! This class is a hands on art class in which participants will be exposed to the basic principles of drawing. We will work from observation in order to translate botanical objects and space onto a two-dimensional surface. This class is for participants ages 14 and up.

In August and September, Kenilworth Aquatic Gardens is hosting 4 artists in short residencies to teach free classes to the public and to work on their own art in the park. We would like to invite you to check out the classes coming up this week. All are free and advanced registration by phone is required. You may reserve up to 4 spaces per person by calling (202) 692-6080. Weather permitting all classes will be taught outdoors.
