District of Columbia

### FREE ART COURSE

**Kids Marker Sketching** Friday, August 9th, 2019 10:00 to Noon

**During this fun class we will use jumbo markers to sketch in the park! We will top off our art with watercolor pencils. Bring your little ones to participate and create a botanical masterpiece. This class is a hands on art class in which participants will be exposed to the basic principles of drawing. We will work from observation in order to translate botanical objects and space onto a two-dimensional surface. This class is for children ages 6-10.**

In August and September, Kenilworth Aquatic Gardens is hosting 4 artists in short residencies to teach free classes to the public and to work on their own art in the park. We would like to invite you to check out the classes coming up this week. All are free and advanced registration by phone is required. You may reserve up to 4 spaces per person by calling (202) 692-6080. Weather permitting all classes will be taught outdoors.
