## Kenilworth Park & Aquatic Gardens

District of Columbia

### FREE ART COURSE

**Marker & Sketch** Saturday, August 3rd, 2019 10:00 to Noon

Sketch at the Kenilworth Aquatic Gardens and illustrate your image with marker. We will learn how line can alter a sketch image and use watercolor pencils to add pops of color. This class is a hands on art class in which participants will be exposed to the basic principles of drawing. We will work from observation in order to translate botanical objects and space onto a two-dimensional surface. This class is for participants ages 14 and up.

In August and September, Kenilworth Aquatic Gardens is hosting 4 artists in short residencies to teach free classes to the public and to work on their own art in the park. We would like to invite you to check out the classes coming up this week. All are free and advanced registration by phone is required. You may reserve up to 4 spaces per person by calling (202) 692-6080. Weather permitting all classes will be taught outdoors.
