

# CITIZEN SCIENCE

# VOLUNTEER WATER QUALITY MONITORING

Learn about Water Quality and gain hands on experience recording and testing samples throughout the District. Anyone 18 years and older, or kids with a chaperone can help! Volunteers must attend one training session to be certified as a DOEE Water Quality Citizen Scientist.

**WANT MORE INFO? EMAIL US!**  
[monitor@anacostiariverkeeper.org](mailto:monitor@anacostiariverkeeper.org)

## WHEN WILL THIS START?

Monitoring starts the first week of May 2019 and ends September 2019. Monitoring shifts will typically occur from 7am-1pm on Wednesdays and Thursdays.

## WHO CAN VOLUNTEER?

Anyone 18 years and older or children with an adult chaperone.

## NO EXPERIENCE REQUIRED.

Trainings will be provided by the project team at select locations around DC. You must attend one training session to be certified to monitor.
